

List of Methods Courses:

Students can select a methods course appropriate to the student's research interest from the following list of courses, or a methods course not listed here with the approval of their advisor:

- Seminar in Archaeological Method (ANTH 541)
- Culture and Mental Health: Theory and Method (ANTH 545)
- Culture, Mind, and Medicine (ANTH 547)
- Advanced Ethnographic Field Methods (ANTH 643)
- Field Archaeology (ANTH 660)
- Human Osteology (ANTH 372)
- Method in Cultural Anthropology (ANTH 441)
- Ethnographic Field School (ANTH 442)
- Cultures of Virtual Worlds: Research Methods (ANTH 444)
- Participatory Monitoring and Evaluation (ANTH 449)
- Lithic Technology (ANTH 457)
- Field Class in Archaeology (ANTH 460, ANTH 660)
- Zooarchaeology (ANTH 465)
- Remote Sensing and Image Analysis (GR 503/NR503)
- Spatial Analysis with GIS (GR 420)
- Sociological Methods (Sociology - SOC 510)
- Sociological Methods II (Sociology - SOC 511)
- Seminar in Methods of Qualitative Analysis (Sociology - SOC 610)
- Seminar in Methods of Evaluational Research (Sociology - SOC 612)
- Seminar in Multiple Regression and Path Analysis (Sociology - SOC 613)
- Qualitative Methods in Political Science (Political Science - POLS 621)
- Historical Method: Historiography (History - HIST 501)
- Historical Method: Archives (History - HIST 502)
- Historical Method: Preservation (History - HIST 503)
- Historical Method: Museums (History - HIST 504)
- Ecosystem Ecology (Ecology – ECOL 610)
- Applications in Landscape Ecology (Ecology – ECOL 620)
- Design and Data Analysis for Researchers I and II (Statistics - STAT 511 and STAT 512)
- Statistics for Behavioral Sciences I and II (Statistics - STAT 311 and 312)
- Principles: Quantitative Data Analysis (Education - EDRM 606)
- Quantitative Research Methods (Education - EDRM 700)
- Applied Linear Models-Educational Research (Education - EDRM 701)
- Foundations of Educational Research (Education - EDRM 702)
- Applied Longitudinal Data Analysis (Education - EDRM 703)
- Qualitative Research (Education - EDRM 704)
- Qualitative Data Analysis (Education - EDRM 705)
- Analysis of Variance-Education Research (Education - EDRM 706)
- Quantitative Data Collection Methods/Analysis (Education - EDRM 707)
- Ethnographic Research (Education - EDRM 711)
