

GREGORY ALLICAR MUSEUM OF ART

TOUR REQUEST FORM

The Gregory Allicar Museum of Art is always free and open to the public. Our galleries have gallery guides and other interpretative material to facilitate self-guided tours. However, we are happy to arrange guided tours when possible.

The Museum has a blended staffing model that relies upon volunteer Associate Curators and CSU art education students. We are pleased to give tours to groups as best as our schedules allow. If you are interested in a guided tour please complete the following form and we will get back to you as soon as possible:

Group Name _____ Contact Person _____

Approximate number in your group _____

Email _____ Phone Number _____

Preferred tour dates _____ Preferred tour times _____

(Please give a variety of options if possible)

Are you interested in any particular exhibition or gallery in the museum or do you want a general tour?
