

## Fort Collins Utilities Community Engagement (CE) Internship-unpaid

### ABOUT THE OPPORTUNITY

As the Community Engagement Intern you will play an important role within Fort Collins Utilities by working with staff to coordinate community engagement activities. This is an excellent opportunity to be part of an award winning municipal utility, learn from experts committed to providing exceptional services, and gain exposure to a City organization recognized nationally for its high performing government. The work could not get done without volunteers like you!

Candidate abilities to act professionally, stay organized while assigned multiple projects, manage time effectively and work autonomously will be critical to a successful internship experience.

### MAKING A POSITIVE IMPACT

Our organization continually works to ensure customers affordable Utilities while lessening our community's environmental impact, which is achieved through the implementation of a suite of conservation programs. As the CE intern, you will be involved in bring several of these programs to our community. Duties may include residential and commercial engagement activity coordination, data management, public presentations, and other logistical duties important to bring conservation programs to life.

### LOCATION

222 W Laporte Ave. Offsite events and meetings not uncommon.

### TIME COMMITMENT AND AVAILABILITY

10-20 hours per week

Typical assignments occur M-F 8:00am - 5:00pm with flexible schedule within those hours

### LICENSES OR CERTIFICATES REQUIRED

This is a position of trust; background check required
