Certification Awarded: _____

INDEPENDENT STUDY GUIDELINES

Students in the Women's Studies Graduate Program may complete a 3 credit independent study (WS695B) as one of the supporting courses. This course credits may not be used to fulfill independent study credits in the student's degree program. The independent study will usually involve directed reading and a critical review of the literature in a specific area of women's studies. Some independent study projects may involve site visits and observation or other applied experience.
