Updated October 2023

This is the print version.

This page intentionally left blank(ish).

This directory includes the research areas of all CLA tenure-track, tenured, and researcher continuing/contract/adjunct faculty.

It is intended to help identify researchers in CLA as potential committee members, colleagues, and collaborators.

This information was collected from faculty profiles on department webpages. It most likely does not include all the research each faculty member conducts. We strongly recommend you use this as a starting point and then visit individual faculty pages for more detailed information, including C.V.s.

If you have corrections, please contact Rosa Mikeal Martey at rosa.martey@colostate.edu.
